Powers of Attorney CPD Videos link

With the introduction of the new POA Act effective from the 1st Sept. 2015 a number of directors have been visiting branches providing an overview of the changes as part of our continuous professional development (CPD) program.

So as to provide a more readily accessible style of information, we have put the information into 5 videos for members to be able to select and play (replay) and review as often as they want. This is the first of a number of planned coming videos to support members.

Please click the link below which is unlisted in Youtube, and only accessible through this link. The videos are provided for specifically RVAHJ members.

RVAHJ App for Smartphone & Web

As part of our ongoing development and improvement of our services to RVAHJ members, we have just produced a new App that can be used by both iPhone and Android phones as well as being available through desktop computer website link.

The App provides the opportunity to load documents, either pdf or jpg, direct link to any website page, news, newsletters, social media, chat function between members and much more.

The first version of the App is completed and, based on feedback from members, will be updated accordingly.

Please follow the instructions to sign up and download the App to your phone. The process is a 2 step one which is explained in the attached flyer (image). Please contact me on paul@kotanaustralia.com if you have any challenges in downloading the App.

Electronic Custodes Registration

Just a reminder that the RVAHJ is now offering an electronic version of Custodes for those members who prefer a soft copy to a hard copy.

If you'd like to switch to our electronic edition, please contact the office by e-mail (admin@rvahj.org.au) to lodge your preferred e-mail address for receipt.

RVAHJ Office – Holiday Closure

The office will close on Friday 18 December 2015 for staff leave and re-open on Tuesday, 19 January 2016. We wish all our members a joyous holiday season.
