RVAHJ *e-news*

January 2017 Edition No. 62

Dear members,

The attached is a press release prepared on behalf of the Board and membership of the RVAHJ to address the misleading information being disseminated by persons ignorant of the facts.

Just for a moment let us all reflect on another victim, one who will suffer this tragedy, maybe in a different way, but certainly it will affect them and those close to them for the rest of their lives, and who is that you may ask? The Bail Justice who made the decision to grant bail on that fateful night. They also should be in our thoughts and prayers for they have our Membership's total support and understanding.

If any Bail Justice requires any support whatsoever please contact the Employee Assistance Program 1300 361 008.
