

Interested in becoming a Justice of the Peace?

Virtual Information Sessions (1 March to 10 March 2022)

Want to make a meaningful Volunteer contribution to your community?

The Department of Justice and Community Safety is looking to appoint Justices of the Peace (JPs) in the Frankston and Latrobe local government areas.

Justice of the Peace volunteers play an important role in the Justice system and provide a valuable and accessible authorised witnessing service to all members of the community.

This one-hour information session will provide more detail about the JP role and you will have the opportunity to meet JPs and staff from the Honorary Justice Services Support team.

We encourage you to read the Justice of the Peace position description prior to attending this information session.

Please note that attendance at this session is mandatory to proceed to the next recruitment and application steps to become a Victorian JP.

To register for your preferred information session, please click on that date and you will be taken to the Eventbrite site to register.

Please note: You must FIRST register via Eventbrite to be eligible to join the virtual zoom session. Links to the zoom sessions will be sent to you via email before the information session is held.
