

RVAHJ Confrères

JP Peer Support Program

Independent, Trusted, Respected

From time to time, we all come across situations where it would be useful to be able to reach out to someone and ask a question, clarify a detail or chat through a challenging situation. Some of our more experienced JPs - many of them Fellows of the Association and/or Order of Australia recipients have offered their time and expertise to help whenever you may need it. We call this the RVAHJ JP Confrères Program.

A "confrère" is much more than a work colleague - maybe not quite a best mate or BFF but certainly someone who is a respected and knowledgeable Honorary Justice with loads of experience and a willingness to help.

We'd love all JPs to be members of the RVAHJ (and most are) but you don't need to be a member to use this service. It's available to all Justices of the Peace, Bail Justices and authorised witnesses in Victoria.
