

From time to time, we all come across situations where it would be useful to be able to reach out to someone and ask a question, clarify a detail or chat through a challenging situation. Some of our more experienced JPs — many of them Fellows of the Association and/or Order of Australia recipients — have offered their time and expertise to help whenever you may need it. We call this the **RVAHJ JP Confrères Program**.

A 'confrère' is much more than a work colleague — maybe not quite a best mate or BFF, but certainly someone who is a respected and knowledgeable Honorary Justice with loads of experience and a willingness to help.

We'd love all JPs to be members of the RVAHJ (and most are) but you don't need to be a member to use this service. It's available to all Justices of the Peace, Bail Justices and authorised witnesses in Victoria.
